## Imagine Losing Someone You Love

👁 35 ✓ 0 ★ 2

### Chapter 1 by Melissa Morales

It's hard to imagine yourself ever losing someone you love and once you do, all you're left with are haunting memories of what you once were. Nights are tough, you feel like you are trapped in a small room with no air or a way to escape and all you can do is stare at the walls, screaming for help but it seems like no one can hear you. You start to feel hopeless as you drown yourself with tears and suffocate with sleep. Dreams start becoming nightmares.
